- R Northeastern Forage and Forest Region
- S Northern Atlantic Slope Diversified Farming Region
- T Atlantic and Gulf Coast Lowland Forest and Crop Region
- U Florida Subtropical Fruit, Truck Crop, and Range Region

• 100,000 Acres

Dots are distributed uniformly across respective major land resource areas within each land resource region. The density of the dots and the regional and national pattern the dots form is significant; the location of specific dots has no significance.

Information on this map is based on data in the National Resources Inventory 1977 and applies only to nonfederal land. When additional or more recent data are available from subsequent inventories or from other sources, the map will be revised.

Albers Equal Area Projection
